Character Resume

Character Information

I am a 27 years old web developer living in Buenos Aires, after 7 years of Graphic Design, I decided to switch to Programming, learned some Java and some month later I landed a job as a web developer where I learn C#, Js, SQL and the Agile methodology with Scrum.

I love VideoGames, I played all my life and through out it I setup and hosted servers from my friends, made simple modifications to them or installed mods. I tried multiple times to make some myself and failed for not pursuing it enough, I want to change that so here I am
